Section 1 : Show Rules and Regulations

SHOW RULES and REGULATIONS

The Show shall be administered according to the following regulations and judged in accordance with The National Rose Society of Australia (NRSA) rules and standards as set out in the NRSA handbook, *Judging Roses 2013*, copies of which are available from the Secretary.

Modern Roses 12, 2015 Official List of Approved Exhibition Names for Exhibitors and Judges and The Official Registry and Checklist 2nd Edition - ROSA are used to determine the description and type of a particular cultivar where listed. Those not listed are considered eligible at the judge's discretion.

REGULATIONS

1. All entries are free.
2. All blooms exhibited must be grown and staged by the exhibitor, **except** in the floral arrangement classes.
3. Once an exhibit has been staged it must not be moved or removed by another exhibitor. The Chief Steward may supervise the movement of exhibits.
4. In classes calling for distinct varieties, the showing of duplicates either under the same name or under a different name, will disqualify the exhibit.
5. Stems or blooms must touch water.
6. Stems will be counted at the level of the top of the container or the medium used to contain them.
7. An exhibit in which an artificial aid is employed will be disqualified, except, if an exhibitor leaves a pellet in the exhibit the judge shall endorse the exhibitor's card and the exhibit will then be judged. One (1) points for each pellet discovered will be deducted as a penalty.
8. Wiring is only permitted in the Exhibition Classes
9. Exhibitors must obtain their entry cards from the Administration desk. Each card is marked with a class code and their exhibitor code. These cards must be

placed in front of the exhibit face downwards. Care should be exercised in the correct placement of these cards. If they are omitted the judge **will not** consider the exhibit.

10. All blooms should be correctly named and the names should be written on the upturned side of the exhibit card. Omission of the name or incorrect naming will not disqualify an exhibit, except where this results in duplication (clause 4). One (1) point will be deducted where it appears that no attempt has been made to name exhibits. When the name is not known, the exhibit should be marked 'unknown'. The above does not apply to floral arrangement and student classes.
11. Unless express approval of the Chief Steward has been obtained **no exhibit** will be removed from the bench until after the Show has been declared closed.
12. Protests must be lodged by 2pm on the day of the Show Judging with the Show Secretary who will refer all protests received to the Chief Judge. If he/she considers the protest justified, a meeting of at least three (3) members of the Show Committee will consider the protest and their decision will be final.
13. Roses classified as Grandiflora may be staged in classes which specify either Hybrid Tea or Floribunda. Mini-Flora roses can only be shown in classes calling for Mini-Flora varieties unless the class details make Mini-Flora's acceptable.
14. All exhibits in 'Section 2 : Cut Flowers', except where specified, must be staged in the Society's containers.
15. All exhibits to be staged separately, unless otherwise specified.
16. In the 'Family Challenge' section an exhibit is comprised of two elements. The first named element is to be constructed by a student under the age of 18 years and the other by an adult relative who is eligible to exhibit in the show.
