Members' meetings

Meetings of the Society

Regular Members' Meetings are held throughout the year. They usually include guest speakers, cultural notes, a Show Bench competition, a Q&A session and light refreshments. Others may include a visit to somewhere special and of interest to rose growers, such as an historic property where roses feature.

These provide opportunities to meet and get to know other members and get to practise your exhibiting skills while learning about roses.

When and where

Most meetings are held on a Tuesday or Wednesday of each month in the Goodman Building Lecture Room at Adelaide Botanic Garden and start at 7pm. There is ample parking next to the building. Our visits to special places in lieu of these are held at other times, enabling those who cannot attend our usual meetings to join in.

Visitors are welcome to our meetings.

Ever thought of exhibiting?

It's fun and pushes you to grow and present better roses. Be sure to attend the Members' Meeting before a show as top exhibitors give tips and advice.

Contact RSSA Branch Secretaries for details of meeting dates and venues in their region.

AUTUMN ROSE SHOW

held in April each year

and

SPRING ROSE SHOW

held in October each year.
