The Rose Society of South Australia invites all Rose Society members to attend the 2019 National Rose Show which is part of the weekend's 'Roses are Red...' celebration.

'The Roses are Red...' celebration also includes lectures, dinners, tours and meetings and we welcome international, interstate and intrastate visitors to participate.

While the National Rose Society of Australia's annual meeting is a prime focus, we will also be recognising the importance of our own State Branches. Our Branches promote rose culture across the whole state and are a most significant part of our Society.

Adelaide is a very comfortable city in which to live and visit and that includes the standard of accommodation, ease of commuting and the quality of our food.

The principal venues are the Burnside Community Centre and the Sage Hotel on South Terrace.

The programme offered has something for everyone. Those who appreciate the rose and the company of like minded members will have a fabulous time.

We look forward to your visit.

President
