NOMINATIONS

Entries from exhibitors for classes 1,2,3 and F1 - F8 are to reach the Show Manager, Joy Johnson preferably by email to: joyjohnsonbruce1947@gmail.com or by phone 0418 895 438. Entries to arrive no later than 7pm on the Tuesday preceding the show.

PREPARATION AND STAGING

Staging of exhibits can be undertaken during the following times:
Friday from 7am. Staging of exhibits in all classes must be completed by 11.30am on Friday.
Clearing of your work space is your responsibility

Prior entries will only be accepted for Floral Art and the Championship classes (Class 1, 2, 3) with all other Cut Flower entries accepted at the time of staging.

It will simply be a matter of bringing your exhibits and placing them on the show benches at the areas designated for that class. We anticipate that some movement of exhibits will be required and that fine-tuning of the new system will follow, however with the calm cooperation of exhibitors and officials, we know that this system has many benefits including time and resource saving.

Exhibitor Guidelines

Exhibitors should understand the following guidelines:

- Blank Exhibit Cards will be available. Class and Grade number and Cultivar (Varietal) name to be written on the FRONT of the card with the exhibitor's name to be written on the BACK.
- Exhibit Cards are to be affixed to the container (horticultural vase or bottle) using clear "sticky tape". The container will need to be dry in order to do this. Exhibitors should provide their own towels and tape. This modification will minimise any confusion if exhibits are moved.
- Containers will be filled with water by exhibitors, no pre-filling of bottles will occur.
- Completed exhibits are placed on the show bench at the allocated space for each class. Benches will be marked using a "best guess" methodology based on our previous experience.
- If an exhibitor finds the allocated space is full, with no room for their exhibit, the Show Manager or other allocated official should be advised, and further space will be created.
- 30 minutes prior to judging, ALL exhibitors should be available at which time the Show Manager will supervise the re-arrangement of exhibits to ensure that a pleasing display is created and that all exhibits can be assessed for judging. ONLY allocated officials and exhibitors are permitted to rearrange exhibits.

- Judging will commence only when the Show Manager is happy with the arrangement of exhibits.
- Judging sheets will record prize-winners, no record of all exhibits will be required.

PRIZE MONEY

Exhibitors will be paid by the Treasurer as soon as possible after the Show. If you have not supplied the Treasurer with your bank details, please contact rssatreasurer@gmail.com
